

The Upton Silentium<sup>®</sup> STA-TITE<sup>®</sup> is designed for universal pans and is made from durable, Tecnoplast<sup>™</sup> thermoplastic material. It has Silentium<sup>®</sup> slow close hinges that closes softly and silently preventing slamming and pinched fingers. This seat also features STA-TITE<sup>®</sup>: the patented fixing system that always stays tight and takes the guesswork out of installation. The lower portion of the nut shears off when the proper tightness is reached, so you cannot over-tighten.
